

Prairie Bluffs Senior Living Now Offers Enhanced Care

If you want it all and you want it all in one place, Prairie Bluffs Senior Living is the place to call home.

Surrounded by beautiful trees near the 13-mile Minnesota River Bluffs Regional Trail and Hyland Lake Park Reserve, Prairie Bluffs Senior Living is a locally-owned, premier senior community.

It is conveniently located right off Highway 169 and Pioneer Trail.

“The Minnesota River feels like it’s in our backyard,” said Stephanie Frederick, Vice President of Sales and Marketing. “The river, walking trails and surrounding bluffs are the inspiration for the interior design you’ll appreciate throughout the campus.”

When asked why people choose Prairie Bluffs Senior Living Stephanie Frederick responds, “families choose us because of the people that serve their loved ones.” Our customized approach to person centered well being that our associates deliver each day enhances the experience at our community.

Prairie Bluffs Senior Living has a total of 141 apartment homes. Options include studio, one bedroom, one bedroom plus den, and two bedrooms. Floor plans that have been thoughtfully designed include nine foot ceilings, spacious layouts, ample storage space, and decks/patios with exceptional views.

Prairie Bluffs Senior Living is excited to

announce the opening of their Enhanced Care. Enhanced Care offers a higher level of care in a vibrant setting. The suites are designed to provide comfort and privacy for the resident as well as the family. Common spaces throughout the Enhanced Care promote connection with family and friends as well as a relaxing space for family members to rejuvenate. Each suite is fully furnished including a hospital bed for the comfort and ease of the resident. The atmosphere was designed similar to that of a luxury hotel. “We want our residents and families to feel the highest level of comfort and care in this setting,” said Frederick.

“Every resident throughout the Prairie Bluffs Senior Living community can count on the same at-home atmosphere, amenities, services, and worry-free lifestyle,” said Frederick.

This senior community opened in July 2019 with a great deal of support from community

leaders. Many of its residents are from the Eden Prairie area or have children who live in the metro area.

“All the happenings at Prairie Bluffs Senior Living are designed to enhance every day so residents can spend their newfound freedom developing their mind, body and soul,” said Frederick.
